book one in the summer lovin series jane preston always follows the rules but that doesn't stop jane's crazy cousin molly from convincing her to go undercover as a reporter at beachside conference john romanowski going undercover himself is also in attendance and the pair team up to take down a mutual target after all theirs is a strictly working relationship what could possibly go wrong

first born blessings upon ishmael is a plea for realization of how abundantly the lord god of

israel has blessed the arab hopefully coaxing ishmael into a new respect and gratitude for the one who has so blessed him and his heritage the fear of the lord and the wrath of god are must reads for what is taking place today world wide thought filled poetry should awaken many what is israel s birthright who does this tiny piece of real estate really belong to jews arabs and christians alike are disillusioned and have been misled concerning this ancient nation outright fabrications have been made by those who are and are not ignorant of historical facts the result grievous misunderstandings to the truth of exactly what belongs to whom and why primary historical facts rather than supposition should bring to those seeking truth thought out basic attitudes and responses to such essential changes must be put into action it is time to realize the truth of the despicable forlorn empty cursed malarial swamps and treeless wasteland that israel had become under 400 years of turkish ottoman control and who it was with work and sweat and shed blood that restored israel to what she has become it is time for the worlds governments and people groups to come together in dignity and justice to honor these truths and to join in the work of restoration of their inheritance unto the rightful heirs

with the character driven drama of all our yesterdays and the psychological thrills of the mara dyer trilogy shadows and bonds connection is a deep emotional journey through the human mind and what it means to be truly connected to one another was it really an accident or was it calculation this decade s technological revolution bonding takes two compatible people and links their minds together although not at the level of reading people s thoughts it s still like steroids for your brain you get smarter and by getting smarter you get faster stronger just better so why is martin kelly so hesitant to get bonded to his high school sweetheart pola maybe because bonding is for life probably because he s never been good at making decisions for himself but in order to become a trainee at the chicago police academy of bonding technology martin is required to become mind linked the right choice appears obvious meg sawyer defies the obvious as a matter of fact she has done so seventeen times already a trainee in the academy meg believes that bonding is an overrated societal fad she wants no part of it but to stay in the academy she has one last chance bond with fellow student tuscan hatch or get kicked out but when an incident occurs in the bonding labs meg and martin s reservations become their realities all plans and futures disrupted they must learn how to turn a mistake into an opportunity discord into connection all while a calculating shadow creeps plays at the fringes of their subconscious minds
